Norman checked out Gene Turner's property for what Gene Turner thought was a tank that he found when trying to put in a post for his fence. Norman said it turned out to be just a steel ring. Norman removed a rock and covered up the hole with some gravel.

Norman still has plans to go to Tim Gora's and remove the slate from his driveway.

Two gentlemen from the MMA Workman's Compensation Safety Incentive Program came to the office to speak with Norman. They recommended to remove the old fire alarm in the Town Office. The batteries in the emergency exit signs in the Town Office and Town Hall need to be replaced. The fire extinguishers in the Town Office, Town Hall, and Fire Department need to be checked monthly with initials. It was recommended that the value of the buildings be upgraded. The playground has spots that need chips. The Post Office is good. They recommended that anything in the Fire Department that pertains to the Fire Department such as boots, hats, helmets and radio system needs to be removed. The Town Hall needs an updated emergency exit sign. The light bulbs in the cellar need to be covered. They recommended taking out the old furnace and tank.

David recommended a fire extinguisher be put in the Post Office.

Kirk made a motion to elect Norman Beckwith chairperson of the Selectmen. David seconded. Motion carried 2-0.

The selectmen agreed for Kirk to ask Linda to ask the auditors if it was okay for the town to give the snowmobile registration money to the Shirley Bog Trail Busters as they did in the past when it was voted on during town meetings.

Norman will get a pole number for CMP to remove the streetlight from outside Derek and Crystal Stimpson home to be removed to the Shirley School Bus turnaround.

Kirk made a motion to adjourn the meeting at 7:06pm. David seconded. Motion carried 3-0.
