

## **SHIRLEY CEMETERY COMMITTEE MINUTES**

**DATE:**

**TIME:**

**PRESENT:**

### **AGENDA:**

1. Clean Cemetery of old flowers etc.
2. Check on number of flags at the fire station.
3. Selectmen gave permission at the last Selectmen's meeting to the cemetery committee to check into having the honor roll up dated, check to see how much it would cost and what process we have to take to get it fixed. We would go back to the Selectmen with what we find out and how much it will cost.
4. Ask Carolyn she is sending emails to Peggy about preputial care and etc. We know all this and it is annoying.
5. The Phillips family purchased a space years ago for Alan and Nita but won't be using this space as Marty Phillips purchased 2 spaces for her parents, 204 & 205. We want to know if we can reimburse the family for the space that won't be used by the family. They have the receipt where they had paid for the space before.

**Closed Meeting at**

**Respectfully Submitted**
